5/31/2014

GENESIS 1:14» 14 † ¶ And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for **signs(signals)**, and for **seasons(appointed times)**, and for days, and years:

PSALM 19:1» 1 † The heavens declare(tell) the glory of God; and the firmament sheweth(shows) his handywork.

MATTHEW 24:3» 3 † And as he sat upon the mount of Olives, the disciples came unto him privately, saying, Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world?

MATTHEW 24:30 30 † And then shall appear the sign of the Son of man in heaven: and then shall all the tribes of the earth mourn, and they shall see the Son of man coming in the clouds of heaven with power and great glory.

† See, **they asked three questions**, and He answers back three questions. "When will there come a time there won't be one stone left on another? What's the sign of Your Coming? And what about the end of the world?" And many, I believe, that we brethren make mistakes by trying to apply it all to His Coming. But He is answering three different questions that was asked Him. "Why would be the time that there won't be one of these stones left on another; when will this thing be? And what will be the sign of Your Coming? And what will be at the end of the world?" See, three different questions. And He starts off answering one, about when "the stones would be left with not one upon another." And then after He finishes that question, then He starts off, "the sign of His Coming." And then goes into, "the end of the world."

« 59 † Now, these people are--are... Peter is saying, here, how that we must be partakers of **His Divine nature**. Now, each one of us are trying to grow into the stature of God.
60 Now, **after we get through with the Seven Seals**, then, at that time of the sounding of the Seventh Seal, or the **loosening**... Course, we know what a seal is, is to **loose the ministry**, to loose Seven Seals. And we'll see that right on the chart. Is **loosing a Message**, something that's sealed up.

62-1014M THE.STATURE.OF.A.PERFECT.MAN_ JEFFERSONVILLE.IN V-2 N-18 SUNDAY_
« 65 † What is it? **God condescending to His creation**. God wants to be worshipped. The word God means "object of worship." And it's **God trying to condition His people**, so he can get from them what He created them for. He never made you to be something else besides a son and daughter of God. If you have missed that, of being a son and daughter of God, **you've missed the mark**.

-----Astronomers-----

55-0819 BEING.LED.BY.THE.HOLY.SPIRIT_ KARLSRUHE.GERMANY FRIDAY_
« E-21 † Look at this star. How many believes that the wise men followed that star and saw it? You believe they did? **I have read all kinds of history, and there's never was anyone else that ever seen that--that light except the wise men**. They kept time by the stars. Look at the hundreds of cities they passed over, and the men up on the tower watching the stars; and here come the wise men looking at it; and the **other astronomers couldn't see it**. Why? **The wise men were looking for it**. That's the reason; **they was expecting it**. Are you expecting something tonight? Are you expecting to go home well? God... Then you'll do it. You get what you expect. If you come to the meeting to find something to criticize it, the devil will show you plenty. If you come for the good of it to be saved, the Holy Spirit will speak to you. You come expecting to be healed, the Holy Spirit will see to that. You get what you expect; so be expecting.

56-0122 THE.JUNCTION.TIME_ STURGIS.MI SUNDAY_
« E-34 † Look at how easy it would've been... The law when Jesus was born...?... in Bethlehem of Judaea. Why, it looks the--like if it would've anybody that would've received it, would've been Caiaphas, the high priest, and the great clergyman, and so forth. The Angels ought to have come to them, because they were ministers and told them that the Christ was born. But God turns right back around, and the **first ones recognized it, was a bunch of stargazers, astronomers** who came from the east, coming westward to recognize it, seen a mystic star. **Nobody else saw the star; they saw it. Why? Because it was given to them**. Some people say, "I can see spiritual things." They see it. Others say, "I don't see it." But it wasn't given to you to see it maybe.
Well, they even kept time by the observatories that was on the top of the cities. And that star passed over every city as far as we know, coming eastward. And for over two years, the wise man was in journey coming

from the east, 'cause when they got there Christ was two years old.

62-0204 COMMUNION_ JEFFERSONVILLE.IN V-10 N-1 SUNDAY_

« 74 † We see that the astronomers are predicting, sometime in this early part or the first part of the month, beginning on the second or the fifth, or somewhere along this month, the Indian astronomers predict the world to blow to pieces. And the American newspapers make fun of it. I do not believe the world's going to blow to pieces, but I do say it's wrong to make fun of it. Because, something's fixing to happen one of these days, something similar to that, when the five planets, Mars, Jupiter and Venus, and--and so forth, comes into their--their... They never have did it. Oh, they claim maybe twenty-five thousand years ago, but who was back there to know it?

62-0204 COMMUNION_ JEFFERSONVILLE.IN V-10 N-1 SUNDAY_

« 75 † I predict that this has a spiritual application. I believe it's the coming in of the issue of God, that the great revelations of the Word will be opened during this time. Remember, they claim it was three stars came into their orbits when Jesus was born. And this is five, and five is grace, the number of grace. Three is the number of perfection. Five is the number of grace, J-e-s-u-s, g-r-a-c-e, f-a-i-t-h, so forth. Number of grace! God ever sends His power to the church, it'll be His grace, it won't be the obedience of the people. And Isaiah said, in the 40th chapter, how to "cry to Jerusalem, that her warfare was over," yet she was guilty of idolatry, but it was God's grace that was sending it. God sends anything to us, it'll be His grace and not our merits. So, it may mean something. I predict that there'll be a change. I don't know what it'll be, but I believe it's fixing to happen. We're on the... right on the eve of it now.

76 And if any man hungers, let him come to Christ. If any man is thirsty, let him come to Christ. He quenches the thirst. He is the Satisfier of all of our thirst and hunger.

62-0319 THE.END.TIME.SIGN.SEED_ TIFTON.GA MONDAY_

« E-78 † Now, what's happened? We see a roar in the paper, across the television out across the nations, where five stars just fell in line with the world. What's five? A number of grace. Every time those stars come, then something happens on earth. What taken place? Five stars fell in. What was it, a--a introducing of what?

Since then just look what's taken place. Germany almost washed off the map. Some of the magi said that the world would burst like a watermelon. Every distressful things prophesied by them for the last days. Look what's taken place. England, the other day, had a storm that blowed away seventy thousand houses one day. Disasters everywhere... California, Los Angeles liked to washed into the ocean. What is it? Beginning of sorrows.

Earthquakes has picked up everywhere. Why is it? Five stars come in line: Grace, God's grace.

What's happened? An infant church (Hallelujah.), a Bride, infancy, that the power of God has begin to fall on her. She's taking form: a Bride for this Bridegroom. That three stars meant His perfection of the heavenly Father, of the trinity becoming One on earth among us, God's offices becoming one office. What happened now? It's the church of the living God coming together under the Word of God, and the astronomic heaven is announcing her approach. Amen. Might not believe that, but it's the Word just the same. Yes, sir.

62-0124 HAVE.NOT.I.SENT.THEE_ PHOENIX.AZ WEDNESDAY_

« E-92 † First time Christ come was through the virgin. Next time He comes is through the lion of the tribe of Juda. The crossed fishes, the cancer age, and all, as you read it through, as Job studied it... And you who read the book of Job, you'll understand. Now, the devil, 'course, takes and does things with that. Then we come back to the next one they call the pyramid teaching. Don't never go after it. You got a Bible to go after. See? Now, the next was the pyramid, but if you just get the real meaning behind it... Now, watch the pyramid for the church age. Did you know... look on... You got a dollar bill? Look on the back of it. There is a pyramid. On the other side, there's the seal of the United States. Why would the United States recognize, under the pyramid, the Great Seal? Look just above that top stone, that topped off the pyramid, and you'll see it

standing up with a light shining around it. See? What's it up there for? That's the Great Seal.

-----Zodiac, Pyramids, Written Word-----

51-0729A THE.RESURRECTION.OF.LAZARUS_ ERIE.PA SUNDAY_

« E-33 † God is from above. He's writing the zodiac in the sky. **Zodiac** starts with the Virgin, the first coming of Christ, ends up with the Leo, the Lion, the second coming. And **He's writing His first Bible**. There's **three of them**.

One of them was written in the skies, one in the pyramids, one on this. Everything in God is in a trinity, like a man's in a trinity. All right.

Then after He got all that written, the stars and the planets off that sun. Then I can see a big ball of ice laying yonder somewhere, this earth. And He brood over the earth, moved it over around the sun, dried it off. And He begin His creation on the earth.

-----Mistake try to apply all to his coming-----

63-0623E THE.FLASHING.RED.LIGHT.OF.THE.SIGN.OF.HIS.COMING_ JEFFERSONVILLE.IN V-5 N-4 SUNDAY_

« 34 † See, they asked three questions, and He answers back three questions. "When will there come a time there won't be one stone left on another? **What's the sign of Your Coming?** And what about the end of the world?" And many, I believe, that we brethren make mistakes by trying to apply it all to His Coming. But He is answering three different questions that was asked Him. "Why would be the time that there won't be one of these stones left on another; when will this thing be? And what will be the sign of Your Coming? And what will be at the end of the world?" -----Appearing of the Son of Man-----

62-0721 BEHOLD.A.GREATER.THAN.SOLOMON.IS.HERE_ SALEM.OR SATURDAY_

« E-29 † "As Jonah was in the belly of the whale, the Son of man will be in the heart of the earth." Many people today think He's still there; but He's not dead. He's risen from the dead and's here with us now, appearing among us, proving Himself, up and down the coast, around the world everywhere, that He lives.

64-0320 GOD.IDENTIFYING.HIMSELF.BY.HIS.CHARACTERISTICS_ DENHAM.SPRINGS.LA FRIDAY_

« 158 † For forty years He has been baptizing us with the Holy Ghost, Elohim, God! And the church...
159 Look, **Abraham seen one sign**, another calling; a sign, a calling; a calling, a sign; waiting for that promised son. But the **last sign that he saw, the last appearing, the last visit of God before the promised son** arrived on the scene, was Elohim in human flesh. Then the **promised son come**.

-----Story of Coy, Closing Statement-----

62-0204 COMMUNION_ JEFFERSONVILLE.IN V-10 N-1 SUNDAY_

« 77 † I had a story that was told me sometime ago. I might have told it in this church. If I have, you forgive me for repeating it just to hit the spot. There was an **Indian guide, or, kind of an overseer of the Indians**. He was traveling in the Navajo country, and was got lost. His name was Coy. And he was going down a trail, a game trail, and he thought, "**Now, if I hit this trail, I'll surely find water.**" And his horse was so thirsty till its tongue was hanging out, dry, the nostrils had turned red and caked with sand. He had held his handkerchief

over his face in the sandstorms until it was caked over, and he was perishing, for water. And he was leading his horse when he struck the trail. And he said, when **he got on the horse** he saw this game trail, said, "Surely it'll take me to water." So he jumps a-straddle of his horse and started down the trail.

62-0204 COMMUNION_ JEFFERSONVILLE.IN V-10 N-1 SUNDAY_

« 78 † And the horse knew also it was on the trail to water. How God gives instinct to the dumb beasts! And down the trail it went. Finally, a few turned off to one side, just a very few off the beaten path. The horse wanted to turn that way, but Coy thought different. He tried to keep it in the main blazed trail, and he started down and the horse would not go. He spurred it, and it nickered and started the other way. And it started rearing up. She was too weak to buck him off.

62-0204 COMMUNION_ JEFFERSONVILLE.IN V-10 N-1 SUNDAY_

« 79 † So he started pulling the spurs to it again, until he cut the horse, so excited to get to water, his life would be spared, until the horse stood, quivering, bleeding. And he looked down, looked down there, she was quivering like that and almost falling under him. He looked down at her, and seen the blood on her side. He was a Christian. And he said to his horse, he said, "I've often heard that wild... or, beasts had an instinct. It don't look like that that little bitty bunch turned off that way would be going to water. It looks like this great path here would lead to where they go constantly to water." But said, "If you've carried me faithful this far, I'll follow your instinct."

62-0204 COMMUNION_ JEFFERSONVILLE.IN V-10 N-1 SUNDAY_

« 80 † Oh, how I think of that about Christ! The way to destruction is posted and blazed all the way, but there is a narrow road that leads to Life. Few there will be that find it. Only, not instinct, but the Holy Spirit will turn you aside to that water of Life. I think, it's brought me safe this far, I'll take it the rest of the way.

62-0204 COMMUNION_ JEFFERSONVILLE.IN V-10 N-1 SUNDAY_

« 81 † To finish the story, he--he hadn't gone a half a mile, until, all at once, the faithful horse plunged right into a big hole of water. The horse knew what it was talking about, what it was meaning in its way of expressing to the--the rider. He got in there. He said he threw water up into the horse's nose. He bathed himself, he screamed and he hollered, and he was shouting to the top of his voice, and pouring water down his throat, and screaming, "We're saved! We're saved! We're saved!" And the horse, drinking, and quivering. And he looked at her bloody sides, then all whelped up from the spur marks.

62-0204 COMMUNION_ JEFFERSONVILLE.IN V-10 N-1 SUNDAY_

« 82 † And said just then, he said... heard somebody say, "Come out of the water." And he looked, and there was a little disfigured cowboy standing there. And he got out of the water. And he said he smelled fire, and he looked over, and there was a bunch of men camping there. They had been up on a prospecting outfit. They had struck some gold, and on the road back they had their horses and pack horses along, and they come to this water hole and was resting, and they had all got drunk.

83 And said they had some venison cooking, and he did eat with them. And said, one of them said, "Take a drink." He told them who he was, he was Jack Coy, the--the Indian guide. So he said, "Well, now, take a drink."

He said, "No," he said, "I don't drink."

84 And that's kind of an insult to them people. So he said, "You'll take a drink from us!"

He said, "No, I don't drink."

85 So he threw the jug up, and said, "Take a drink!" Drunk, all of them, you know, about a half a dozen.

And so he said, "Thank you, boys."

86 Said, "If our venison is good enough to eat, our whiskey is good enough to drink."

87 And you know how they are, **drunk**. And he said, "No," he said.
88 And they threw a shell in the rifle, and said, "Now you'll drink or else!"

62-0204 COMMUNION_ JEFFERSONVILLE.IN V-10 N-1 SUNDAY_

« 89 † He said, "No. No, I won't drink." And he started to aim the rifle. Said, "Just a moment." Said, "I'm not afraid to die." He said, "I--I'm not afraid to die." He said, "But I--I want to tell you my story before I do, **the reason I don't drink.**" Said, "I'm a Kentuckian." He said, "And in a little old log cabin one morning, where a mother lay dying, she called me to her bedside, and said, 'Jack, your father died with a deck of cards in his hand, across a table, drunk.' And said, 'Don't never drink, Jack, whatever you do.'" And said, "On my mother's brow I laid my hands. And I promised God, as a little ten-year-old boy, I would never take my first drink." He said, "I've never took it." And said, "Now if you want to shoot, you just shoot."

90 And as the drunk raised his rifle and threwed the jug up again, said, "Take it or I'll shoot!" And just then a gun fired and the jug bursted.

62-0204 COMMUNION_ JEFFERSONVILLE.IN V-10 N-1 SUNDAY_

« 91 † Standing at the side of a canyon was a little old cowboy, disfigured, with tears running down his cheeks. He said, "**Jack, I too come from Kentucky. I made a promise to a mother one day, but I broke my promise.**" He said, "I was waiting till these guys got drunk enough, and was going to kill the whole bunch of them, anyhow, take what gold they had." He said, "But I've been a drunk and I've done wrong. But," said, "I'm sure when my gun echoed up through the canyons of heaven, mother heard me sign a pledge I'll never do it again." And there, by the grace of God, he led all those people to Christ, all those out there.

92 See, there's something about **water**, something about **refreshing**. My point was, to, get to the water when you're thirsty. There's something it does to you, is to get to the water when you're thirsting.

93 Now, He said, "My peace I leave unto you. My peace I give you." Not as the world gives you peace, but the way He gives you peace. **His peace quenches our thirst**. If we are longing for peace, then let us refresh in His peace, to know that we have peace with God through our Lord Jesus Christ. **He is our Peace-giver that quenches our thirst.**

62-0204 COMMUNION_ JEFFERSONVILLE.IN V-10 N-1 SUNDAY_

« 94 † The verse that says, "He is Meat indeed and Drink indeed." I have a little mark here, the 57th verse, "Meat indeed and Drink indeed." Listen what He said here.

And as the living Father hath sent me, and I live by My Father: so he that eateth me, even he shall live by me.

95 In other words, "The Father sent Me, and I live by Him. And every man that comes to Christ must live by Christ." Oh, my, there you are, that's the communion. That's the real communion that you find when you live by Christ.

-----Saved by Water-----

63-0318 THE.FIRST.SEAL_ JEFFERSONVILLE.IN MONDAY_

« 93 † What a statement. My. After the Bride is taken away, then this man of sin will reveal himself. She, the true Bride of Christ has been elected out of every church age.

Now, the other day I made a statement: The Bride could go home and you'd never know nothing about it. That's true. Somebody said, "Well, Brother Branham, that would be a mighty small group."

Jesus said, "As it was in the days of Noah (Now, you talk to Him about it. See?) wherein eight souls were saved by water, so shall it be in the coming of the Son of man."

The Sign of The Son Of Man

Aquarius

Aquarius – Peace, harmony, and joy. The sign of the perfected man.

Aquarius - Altair

Altair

Altair, is the yellowish-white alpha star in Aquila, the Eagle. The star's name derives from the Arabic word for the constellation and represents the wings of an eagle. Altair forms one corner of a huge triangle known to all navigators. Altair is at 01 Aquarius 46 degrees of the zodiac and 301 degrees of Celestial Longitude. Like its name, Altair carries the significance of **flying high** where "no one has gone before," blazing new trails and setting lofty goals for those who follow.

Age of Aquarius began on February 4, 1962. On that day there occurred a very interesting astronomical (and astrological) event. The planets Mercury, Venus, Mars, Jupiter, and Saturn, along with the sun, the earth, and the moon, were all found in the constellation of Aquarius. In addition, a solar and lunar eclipse occurred which was visible in some parts of the Old World. The cosmic event that transpired on that day is extremely rare. Such a congregation of planets occurs only once every 2160 years, moving from one constellation to the next. Each time it happens it marks the beginning of a new era, or New Age, for humanity. February 4, 1962 marked the end of the Age of Pisces and the beginning of the Age of Aquarius.

In this Aquarian Age, this **Sun-day** of God, when the **sign of the Son of man has appeared in the heavens, all things will stand revealed**. Once again, in the course of the ages will mankind have reached the same goal which the builders of the Great Pyramid reached in that far remote age. And here and there are found a **few** whose eyes are beginning to be cleared, whose material vision is being purified, whose brain cells are beginning to vibrate to that harmony which, to the Ancient Ones, was sweet and thrilling music. And when this Aquarian Age shall reach its close, **we, too, will be able to join in that great anthem of joy and sing the praises of the MOST HIGH—the God within us**.

Humanity has been wandering many, many years in the wilderness, but the Promised Land, flowing with milk and honey, is very, very near, and **soon the "Stone that the builders rejected will have become the head of the corner."**

God-man: the word made flesh

By George Washington Carey, Inez Eudora Perry 1920

THE SIGN OF THE SON OF MAN

by Dr. Wesley A. Swift---1-3-62

Disclaimer: I have edited out some of the text of this document that was originally written by Dr. Wesley A. Swift. Dr. Swift was one of the founders of the KKK and the founder of the Church of Jesus Christ. Dr. Swift believed in white supremacy and Bro. Branham was against racial discrimination.

We are facing one of the **most significant years in all history**, one which all astronomical observers have looked forward to. What will transpire has **never happened** the life time of any scientist, astronomer, or astrologer on the face of the earth. In fact, the exactness of the condition which is appearing in the heavens will take place in **February of this year**, and has **great significance regarding prophetic measure**. And it has been **23,000 years** when as many planets in configuration have been in opposition or in the **same sign together** and make the same pattern as they are now making, even if we were to remove the exact position to which they are now assembling. The most significant thing is that the **last time as many as 5 of these planets were in like and similar positions, took place 4 years before the flood that preserved Noah and destroyed his enemies.**

The most significant thing is that the last time as many as 5 of these planets were in like and similar positions, took place 4 years before the flood that destroyed the enemies of Noah (as it was in the days of Noah) under the judgements of God. That was one of the last times in the ancient pattern of prophecy that 5 of them appeared in similar configuration.

Now this is a significant thing because we are soon to move out of the sign in the sky under which we have been traveling for many thousands of years, known as Pisces, the sign of the fish, which also was the sign of the early church under which the early church carried out their early ministry and the sign when they greeted one another in the days when they were harassed by organized Jewry, **as well as the power of Rome was the sign of the fish. We have been in the sign of Pisces during all of the Christian era.**

Now we are coming into what is known as the sign of Aquarius in the month of February. It is in Aquarius that this great configuration in the heavens takes place the sign of HIS blessing. Aquarius is the waterman, pouring out the water of the heavens and that has been the symbol of the prophecy which God gave to Joel. I am going to **pour out My Spirit upon all My sons and daughters**, My young and their old men. Aquarius is the sign of the **outpouring of the Spirit**, of vision, and power and a **new day (Feast of Tabernacle, Holy Convocation).**

We are now under the new sign in the heavens (**Flashing Red Light of His Coming**). The events that are happening are **new signs** as the whole universe moves like clock work with great precision. You must remember that one of the things the Palmist tells us about is that God has built the earth and the universe in proper relationship. In Psalms 19, he says that 'the heavens declare the glory of God and the firmament sheweth HIS handiwork and day unto day, and night unto night, showeth knowledge. There is no

speech nor language where their voice is not heard. The line of their message has gone out to all the earth and their word to the end of the world, and in them hath HE set a tabernacle for the sun.' This is the Zodiacal track of the earth as it runs its orbit. And we are told that the **sun is like a bridegroom** coming out of his chamber and rejoices as a strong man to run a race, and he goeth forth from one end of the heavens and his circuit to the end of it, and there is nothing hid from the heat thereof.'

So the law of the MOST HIGH is talking about signs that will be put in the heavens which they were to read. And HE told men who lived thousands of years before Christ, what the signs would be, not of HIS coming only, which the wise men told at HIS Birth, but also the signs that would mark the great day of Christ in human events. And this, of course, is the one thing we look forward to and the one thing which we recognize and understand. Because the Kingdoms of this world are to become the Kingdoms of our LORD and of HIS Christ.

I would point to the words of Jesus who made the statement in **Matt. 24:30**, that **there is going to appear the sign of the Son of Man in the heavens**. And then shall all the nations of the earth mourn when they see the sign of the Son of Man coming in the clouds of heaven with power and with glory. ~~You know it is going to be a sign, and it will be a sign when all the nations shall see it, and the sign will be the sign of the Son of Man in the heavens.~~

Now, there are signs in the sun, the moon, and stars, Jesus told us. You may say, we are interested in seeing the world situation in prophecy. But how can the astronomical conjunctions have anything to do with this? Alright, on February 4th of this year, we are going to have an eclipse of the sun that will take place at 4:10 P.M. It will be in perfect alignment with Southern California at 4:10 P.M. You are going to look into the darkened sky. You are going to see a total eclipse of the sun. It is going to be 15 degrees and 44 minutes at Aquarius. And when that takes place, you will look into the sky and you will see Saturn and you are going to see Mars in perfect alignment. You are going to see to the left of the spectacle, Jupiter, Venus, Mercury----and then remember that the moon is eclipsing the sun and all 7 planets are in one small segment in the one sign of the heavens, Aquarius, which of course, is the sign of God's great new age and spiritual outpouring. Directly on the other side of the earth in to the darkness beyond, is the sign of Leo wearing the sign of Aquarius with Uranus. Uranus also is the ruler of Aquarius, symbolic of astronomical measure.

Now this shows that 7 planets, plus an 8th one that is directly opposite on the other side of the earth, are in perfect alignment in one sign which has not happened as we know, in 23,000 years and never with this alignment in 100,000 years. Almost everywhere those who observe the sign note that it is a symbol of tremendous events that will also affect various geographical balances in the earth, which also is going to be a symbol that involves the alignment of Mars and Saturn. That means War---opposition to it.

It is one of the great signs of the Son of Man coming in the heavens as God hath declared unto us by HIS own Holy Word. And so when we see these signs come to pass, lift up your eyes and you will discover that this is the time for hope for God's people. Never

have we had a period like this before. Just remember that we have nothing but the threat of Khrushchev. We have the year when China is going to start with nuclear weapons.

That is why we pray, 'Thy Kingdom come, Thy will be done on earth as it is in heaven.'

When heaven and earth bend together to build the Eternal Kingdom, to overthrow evil, I can assure you that the Kingdoms of this world will become the Kingdom of our LORD and HIS CHRIST.

This is a great year ahead. We have not the time to go into the full discussion of the things that are marked by this event, but we will have more to say about that in further broadcasts. Just remember that we must look forward on the 4th of February to that eclipse which we will see so complete here in the State of California. And for the first time, you will see the grouping of 5 planets clearly visible with the moving of the sun from the earth, and you will see them in close alignment. This will be the first time that it has ever been beheld by men of earth in the whole history of your race. This is a great time to be alive. And with Faith, we will see the climax of the age and the victory of God's Kingdom.

The Great Aquarian Conjunction of Feb. 4-5, 1962

Between February 4th and 5th of 1962, all of the visible seven planets -Sun, Moon, Mercury, Venus, Mars, Jupiter, and Saturn were transiting the sign of Aquarius, something that happens only every so many thousands of years. Was this the official beginning of the Aquarian Age? This site says yes! While the closest bunching of these planets occurs just after midnight London time on February 5th, the WHOLE two-day period from 10:57 PM February 3rd to 10:53 PM February 5th (London time) is the official entry period.

For this I will use the Grand Aquarian Stellium or Conjunction of Feb.4-5, 1962 as the official beginning of the Aquarian Age, and work my way backwards or forwards from there. It would be nice to know when ALL the great Stelliums or Conjunctions of each sign occurred, but this information is hard to come by.

With the information on hand, a fairly accurate table of the Great Ages and their beginning and ending dates(depending of course on the length of the cycle and starting point) can be constructed as follows...

Great Age	Yuga cycle(24,000yrs)	Maya cycle(25,625.83yrs)	astronomy cycle(25,920yrs)
Sagittarius	17,899 to 15,754 BC	19,244 to 16,954 BC	19,488 to 17,171 BC
Scorpio	15,754 to 13,760 BC	16,954 to 14,825 BC	17,171 to 15,017BC
Libra	13,760 to 11,899 BC	14,825 to 12,838 BC	15,017 to 13,008 BC
Virgo	11,899 to 10,038 BC	12,838 to 10,851 BC	13,008 to 10,998 BC
Leo	10,038 to 8044 BC	10,851 to 8722 BC	10,998 to 8844 BC
Cancer	8044 to 5899 BC	8722 to 6342 BC	8844 to 6528 BC
Gemini	5899 to 3754 BC	6342 to 4141 BC	6528 to 4212 BC
Taurus	3754 to 1760 BC	4141 to 2012 BC	4212 to 2058 BC
Aries	1760 BC to 101 AD	2012 to 25 BC	2058 to 48 BC
Pisces	101 to 1962 AD	25 BC to 1962 AD	48 BC to 1962 AD
Aquarius	1962 to 3906 AD	1962 to 4092 AD	1962 to 4116 AD
Capricorn	3906 to 6051 AD	4092 to 6205 AD	4116 to 6432 AD

As you can see there is a significant variance from one cycle to the next. Comparing the Pisces dates is especially interesting. Personally, I have a preference for one of the two longer cycles.

Until we get a precise length for our precessional cycle we will keep on guessing as to where each age begins or ends. Even the 1962 date for Aquarius can be argued. Compounding all of this is whether we're starting with the right equinox to begin with. If we begin from the autumnal equinox(opposite point of the vernal) then we are actually coming out of the Virgo Age and entering Leo, but the Aquarius stellium is not in favour of this. In any case, there are always strong undertones of the opposite sign in any Age.

There are no doubt greater or longer cycles than the Great Year or Ages, but their incredibly vast time spans are not likely to be very relevant to us. <http://www.librarising.com/cosmology/agesandcycles.html>

"You have no doubt heard the words, 'It is the dawning of the Age of Aquarius,' from the popular song. What does it mean? Just as the stars moved through the procession of the equinoxes, so we have moved from one mansion of the zodiac to another. That procession of the equinoxes is going in the opposite direction to that which we have been moving in this series on the zodiac. Interestingly, about the time Christ came into the world, we **moved into the sign of Pisces**, which is the sign of the fish and a symbol of the people of God. That sign has lasted for approximately 2,000 years, after which we will be moving into the sign of *Aquarius*, meaning **a time of peace and harmony and joy.**" - D. James Kennedy (872:63-64)

"Aquarius is the modern Latin name by which the sign is known. It has the same meaning, the **pourer forth of water**. Can we doubt what is the interpretation of this sign? The Greeks, not knowing Him of whom it testified, were, like the woman of Samaria, **destitute of that living water** which He alone can give.

Lyrics to the Age of Aquarius - sang by The 5th Dimension

When the moon is in the Seventh House
And Jupiter aligns with Mars
Then peace will guide the planets
And love will steer the stars

This is the dawning of the Age of Aquarius
Age of Aquarius
Aquarius! Aquarius!

Harmony and understanding
Sympathy and trust abounding
No more falsehoods or derisions
Golden living dreams of visions
Mystic crystal revelation
And the mind's true liberation
Aquarius! Aquarius!

When the moon is in the Seventh House
And Jupiter aligns with Mars
Then peace will guide the planets
And love will steer the stars

This is the dawning of the Age of Aquarius
Age of Aquarius
Aquarius! Aquarius!

Let the sun shine, Let the sun shine in
The sun shine in

Let the sun shine, Let the sun shine in
The sun shine in
Let the sun shine, Let the sun shine in
The sun shine in
Let the sun shine, Let the sun shine in
The sun shine in
Let the sun shine, Let the sun shine in
The sun shine in
Let the sun shine, Let the sun shine in
The sun shine in
Let the sun shine, Let the sun shine in
The sun shine in
Let the sun shine, Let the sun shine in
The sun shine in
Let the sun shine, Let the sun shine in
The sun shine in
Let the sun shine, Let the sun shine in
The sun shine in

Oh, let it shine, c'mon

Now everybody just sing along

Let the sun shine in

Open up your heart and let it shine on in

When you are lonely, let it shine on in

Got to open up your heart and let it shine on in

And when you feel you've been mistreated

And your friends turn away

Just open your heart, and shine it on in
